

Seminary Extension Scholarship Guidelines

Scholarships for non-traditional students are made possible through gifts received by the Golden Offering for Tennessee Missions. Each year the Executive Board of the Woman's Missionary Union and the Executive Board of the Tennessee Baptist Convention approve the allocation of funds for ministry in Tennessee.

The allocation for theological education assistance is designed to assist non-traditional students to achieve their ministry education. The following guidelines aid to facilitate the scholarship application process:

1. Scholarships are for non-traditional students attending Seminary classes at an extension center in Tennessee. The original intent of the assistance is to assist students enrolled at a Southern Baptist Theological Seminary Extension center in Tennessee.
