**Dates:** Open

**Project ID:** Nash-18-17

**Church:** Smith Springs Baptist

**Type of Project:** Construction

**How many needed:** Open

**Project Description:** Team to remove carpet glued to concrete in Five Sunday School rooms and one hallway. Clean and paint floors. Install Berber carpet in fellowship hall over existing indoor/outdoor carpet.

**Dates:** Open

**Project ID:** Nash-18-32

**Church:** Hickory Hills Baptist Church

**Type of Project:** Pavement

**How many needed:** Open

**Project Description:** Church is in need of help with repairing and repaving parking lot. Need help as far as equipment, contacts for contractors or any way team might be able to help church save money. There is also an underground spring under the parking lot that is causing the parking lot to cave in, so that needs to be contended with also.
