DESCRIPTION

Student missionaries will have the opportunity to assist the City Reach-Memphis coordinators in providing a meaningful mission experience for mission teams, as well as local Mid-South Baptist Association churches and ministries. Missionaries will assist the coordinators in all areas of responsibility, including spiritual and physical guidance for mission teams, host churches, and local MSBA churches receiving mission team assistance.

The student missionary will have exposure to both urban and rural settings, as well as working with groups of all ages. In addition, the student missionary will work alongside church planters in ethnic churches and communities.
