## DESCRIPTION

Spend the summer sharing Christ with hundreds of kids through VBS ministry in local churches while developing lifelong friendships with other BCM ladies!

Students will travel to Dyer Baptist Association churches performing Vacation Bible Schools from set-up and decor to Bible studies and rotations. Each VBS is different and will last one, three, or six days. Students will learn all of the VBS motions and prepare Bible stories based on LifeWay's material.

Rest days will be scheduled throughout the summer, but overall it is packed with opportunity to minister to the community through roughly 10 churches in the area.
