## DESCRIPTION

ROCK Ministries has an incredible opportunity to minister to children and their families in partnership with Give Kids the World.

GKTW is a resort/village for children with life threatening illnesses who wish to escape the hospital for a trip to Orlando and its exciting attractions. The families stay at the village for a week and enjoy amenities such as putt putt, pools, free ice cream, food, and much more.

Summer Missionaries will volunteer 20 to 30 hours each week in the village. Additionally, GKTW summer missionaries will serve in local churches and aid fellow ROCK Ministries Summer Teams in conducting Kid's Club in a hotel pool 3 days a week.
