DESCRIPTION

Encounter the whole world in one place by serving as a ROCK Ministry Lifestyle Innovator. Orlando is the number one tourist destination with 72 million visitors a year, many from diverse ethnic backgrounds.

Lifestyle Innovator summer missionaries will work at Fun Spot, a local family theme park. Missionaries will minister to both visitors and local employees through a full 35-40 hour a week work schedule, with pay.

The goal is to work and serve intentionally and build relationships with co-workers in order to share the Gospel. Additionally, Lifestyle Innovator summer missionaries will serve in local churches and aid fellow ROCK Ministries Summer Team in conducting Kid's Club in a hotel pool 3 days a week.
