### Conference Descriptions for Girls

**Across the Street and Around the World**, led by *Sandy Wisdom-Martin*. When God calls, you answer "yes." However, sometimes living out that call requires some creative thinking. Sandy will use the book *Across the Street and Around the World* to unfold a treasure box of ideas to get you motivated to go and serve in Christ's name. *(for girls and women)*

**Chat with Beth**, led by *Beth Moore*. Get to know Beth, Tennessee WMU's new Student/Literacy Missions Specialist. Hear Beth's story of faith and learn more about her passion for discipleship and missions. Come ready to talk about ideas for how we can help each other be on mission.

**Consistency in God's Word**, led by *Tiffany Bailey*. Perhaps quiet time spent with the Lord is the single-most important thing a Christ follower can do. Using Galatians 5, we will examine how God's word helps us "live by the Spirit" on a daily basis.

**Drop the Load and Be Free to Fly**, led by *Leigh Gray*. Too often we don't understand that Christ died to make us free...free to fly! We accept His salvation, but never let go of the things that weigh us down. Let's learn how to live free and then fly!

**Free Women: Standing Firm in Our Freedom in Christ**, led by *Molly Lockwood*. Come and let's explore God's Word together to see why God created us as young women. What lies have you believed that have kept you from enjoying true freedom in Christ? You were fashioned by His Hand to do incredible things for His glory; it's time to start living that way!

**Freedom to Move**, led by *Savannah Payne*. Let's get up and get moving! In this session, we will be worshipping the Lord through interpretive movement. *(for girls and women)*

**Islands Are Calling My Name**, led by *Stephen and Meaghan*. Stephen and Meaghan have lived on a remote island in Southeast Asia for the last six years. Come hear how the Lord uses ministries like a scuba diving business to draw people from the islands to Him. *(for girls and women)*

**Living Free, but Not Crazy**, led by *Rachel Lovingood*. What does it mean to be free in Christ and make good decisions? Discover some practical principles from Scripture that can help you with your day to day decision making. Everyday choices really do matter.

**Ministering to MKs**, led by *Fayrene Willett*. What's an MK? An MK (Missionary Kid) is on the mission field as a result of their parent's call to career missions. We will explore the challenges missionaries face while on the mission field. Learn how you can intentionally pray for missionaries and their families. *(for girls and women)*

**Reaching the World through WorldCrafts®**, led by *Emily Swader*. Learn about WorldCrafts® fair-trade ministry among impoverished artisans in the United States and around the world. You will have the opportunity to hear first-hand about the impact WorldCrafts® is making with refugees in Nashville. *(for girls and women)*

**Seeking Refuge: A Refugee Simulation**, led by *Kristy Carr*. Every year millions worldwide are driven from their home by political unrest, war, economic upheaval, and religious persecution. Through this simulation you will experience the conditions faced by the more than 65-million displaced people. You will discover ways you can make a difference in the lives of refugees. *(for girls and women)*

**Standing Firm: Flexing Your Spiritual Muscle**, led by *Judy Harvey*. Come learn about spiritual disciplines that help us grow stronger. How you spend your time impacts your ability to stand firm.

**Standing Firm in the Journey of the Unknown**, led by *Libby Phillips*. Libby and her family recently moved into unknown territory to start a new church in Denver. Jumping in on a journey of the unknown can be difficult. Hear how to combat the challenges faced by following God's call into unknown territory. *(for girls and women)*

**Standing Firm in Taiwan**, led by *Jeff and Melva*. Taipei is a beautiful island with over 7 million people. Join us to hear how the Lord is using volunteer teams to share full gospel presentations in English in public schools during Christmas, Easter, and summer opportunities. You can be a part of this ministry in Taiwan through your prayers, gifts and coming to serve along beside us! *(for girls and women)*

**Standing Firm on What You Believe**, led by *Merrie Johnson*. Know what you believe and why. How do we know God's Word is truth and reliable, and how do we know Jesus is the only way?

**The Miracles of God: The Gospel and Spiritual Growth**, led by *Brit Redfield*. Do you have a firm grip of the gospel and what God miraculously accomplished for you on the cross? Are you spiritually growing miraculously by His Spirit? Come discover what miracles God can work in your life to help you stand firm.
