

As you read, look for
one of the following:

S

Sin to confess or avoid

P

Promise to hold in Scripture

E

Example to follow or avoid

C

Command to obey

K

Knowledge obtained
(What is new that you read)

Here is a suggested plan for reading through the Bible:

1 Chapter in the Old Testament
(Start in the Book of Genesis)

1 Chapter in the Gospels
(Start in the Book of Matthew)

1 Chapter in the New Testament
(Start in the Book of Acts)

There are 1189 chapters in the Bible. If you read a little more than 3 chapters per day then you will read through the Bible in one year.
