

Acts 2:17 Initiative Listening Sessions – Seeking God’s Vision for Tennessee Baptists

The Acts 2:17 Initiative will determine the direction for the Tennessee Baptist Convention following our 150th anniversary in 2024. These sessions are designed to hear God speak through listening to the needs, visions, and goals of Tennessee Baptists. Every Tennessee Baptist will be given the chance to speak into this process beginning at Summit. Plan to attend one of these sessions on Tuesday afternoon.
