

Middle Tennessee State University is the home of the Blue Raiders with over 22,000 students! Located just 30 minutes outside of Nashville, the music industry is a huge part of our culture, both on campus and in Middle Tennessee. Also well known here are our programs in teaching, pro-pilot, construction engineering, and much more. Murfreesboro is one of the fastest-growing cities in Tennessee. Our ministry building is located right on the edge of campus, with a beautiful view of the MTSU athletic facilities right across the street. Our students love our campus and enjoy serving it well.
