

The Partnership

The Tennessee Baptist Mission Board (TBMB) is offering support to West Tennessee churches and associations through four primary strategies:

1. **Strengthening Existing Churches** through revitalization efforts.
2. **Supporting 40 New Church plants** within a 20-mile (seven counties) radius over the next 10 years (at least four new churches annually).
3. **Assisting in Community Development** through TBMB Compassion Ministries with the towns and communities that will face various social issues.
4. **Mobilizing Churches for Mission** in a state-wide initiative to the area.

**So, you see the need;
you see the opportunity...**

Do you see the possibilities?

All the Pieces Are Coming Together...

TBMB Tennessee Baptist
MISSION BOARD

...The only piece
missing is *you!*

"A man of Macedonia was standing there,
urging (Paul) and saying, "Come over to
Macedonia and help us." Acts 16:9.

Anyway you slice it,
*Tennessee is a
mission field.*

Ford is building the nation's largest automobile plant in America in Haywood County, TN, to manufacture the all-electric F-150 Lightning truck. Tennessee Baptists have an unprecedented opportunity to make Christ known to thousands of people, many who have never heard of him.

Will you come and help us?
