

Seeing the Harvest

Did You Know?

HERE ARE **9 REASONS** TO BE A MOTHER/SENDING CHURCH IN TENNESSEE

There are several models of church planting but one of the most effective and healthiest models is when a church is a **mother/sending church** that plants a church!

New churches reach new people more effectively.

Churches are needed to reach a growing population.

New churches are needed to reach diverse types of people.

Church planting is a central biblical model for kingdom growth.

Church plants are healthier when a mother/sending church is involved.

Churches that send; grow spiritually.

Churches that send; grow missionally.

Churches that send; grow leaders.

Churches that send; grow numerically.
