

Session Ten: BIBLE SKILL NIGHT

Today's Bible Skill:

- Place Books of the Old and New Testament in order.
- Review Joshua 24:24
- Review Psalm 56:3

Divide Group into 4 Teams – Each team will rotate through Bible Skills stations.

Bible Skill Station One: Bible Verse Activity: Hot Potato – Joshua 24:24

Instructions:

Invite kids to form circles of no more than 6-8 kids and sit facing each other.

Choose one member of the group to sit in the middle of the circle. Give another member of the group a foam ball. Explain that the kid in the center will be listening to be sure Joshua 24:24 is said correctly. The kids with the ball will toss it to another member of the group saying one word of the verse (in order) as the ball is passed. Whoever is holding the ball on the last word is “out” and will change places with the person sitting in the middle of the circle. Repeat the game for as long as time allows.

Bible Skill Station Two: Bible Verse Activity: Pool Noodle Plunge – Psalm 56:3

Instructions:

Divide kids into groups of no more than 5 kids.

Divide kids into even groups (4 per group)

Have groups form a line behind the starting line. Explain that when they hear “Not Afraid” the first person on the team is to run to the table, locate the pool noodle piece with the first word of Psalm 56:3, and place it on the plunger. Once the piece is on the plunger, the player runs back and tags the next team member. The following players continue, until the verse has been completed. The first team to correctly place the verse in order wins. Check for accuracy by having the team recite Psalm 56:3.

Bible Skill Station Three: New Testament Pyramid

Instructions:

When “start” is called, challenge players to make a pyramid placing the books of the New Testament in the correct order. Begin with Matthew and end with the New Testament.
