## 2025 Statistical Profile Instructions

### Step ONE: Update Your Organization Home Page

Type in your church's ACP UserName and Password in **TeD** at TN.SBCWorskSpace.com. You should see your Home Page as follows. Click on your church name in the **Organization Box**.

Welcome to TeD (Tennessee Electronic Database)

The 2024 Statistical Profile page is now open to enter your church's 2023–2024 Church Year statistical information. This allows churches whose reporting year ends around the time the new school year begins (July, August, or September) to enter their information prior to most associational annual meetings in the Fall. It will remain open through the first of the year to allow churches whose reporting year ends in the last quarter (October, November, or December) to have adequate opportunity to upload their church information.

The Church Leadership Profile remains open year-round and can be updated at any time the church experiences a change in leadership. Keeping this information current provides for the church's associational and TBC colleagues in ministry to have up-to-date contact information for the church's leaders.

For assistance, please contact your associational office or Tennessee Baptist Mission Board at (615) 373-2255, or email TeDHelp@TNBaptist.org.
